

**Floridom, Inc. - Longwood, Florida.
Technical Support Opportunity**

Our company produces legal software for attorneys, paralegals, court systems, CPA's and Mediators in twelve states. I am presently looking for someone to work in our technical support department. This person would have to learn our products and be able to assist our customers with trouble shooting. The person we are looking for must have a reasonable amount of computer knowledge and a personality to deal in a professional and friendly manner with our customers.

I am willing to consider a job share program. Our hours of operation are Monday - Thursday 8:30AM till 5PM and on Friday 9AM till 3PM. Anyone interested can contact my office at 407-834-7720. The position will be available immediately.

Salary to start is \$8.00 per hour, but with experience this hourly wage is negotiable.
